A high energy Lighting Representative with a contemporary culture and great vibe is seeking a **Lighting and Controls Outside Sales Representative** in the Seattle market. The successful candidate is professional, detail oriented, organized and a team player. Outside sales and industry experience are two big pluses, but your ability to learn and grow are important too. If you've got the desire to be part of a growing team we want to hear from you.

Your core role is to supply comprehensive coverage of all Roadway, Utility & DOT buying influences with "Relationship Selling". Leveraging relationships and business strengths across all segments to be a "One Solution Agency" for our customers is key.

The position requires strong documentation and communication skills. You need to be comfortable operating in Outlook, Word and Excel and have good math skills.

You have strong social skills and are able to interact with top industry professionals. You must have a reliable automobile that can accommodate samples, literature and the required insurance coverage.

Zuli has a "vibe" that is all about taking care of each other and building on each other's successes. Ideally, you're based in the Seattle Metro Area now. Relocation is a possibility for the right candidate.

Our current associates are respected and they know it. If you want a career, not a job, send us your resume.
